Under Sections 37 (2) and 71 of the Mysore Forest Regulation (No. XI of 1900), the Government of His Highness the Maharaja of Mysore are pleased to promulgate the undermentioned rules in regard to the issue of permits for the collection and removal of myrobolams from Inam lands and private holdings in the several districts of the State :—

1. Any person claiming a right to collect and remove myrabolam from Inam lands or private holdings shall apply in writing to the Amildar of the Taluk in which such lands are situate, who will thereupon refer it to the Revenue Inspector of the Hobli concerned for local inspection and submission of a report. On receipt of the application from the Amildar, the Revenue Inspector will issue notices to the applicant, the Inamdar or occupant of the holding concerned as also to the lessee, who has purchased the right to collect and remove myrabolams from the adjoining Government lands or his accredited agent should there be any in the locality or thereabouts, specifying therein the date and hour of his local inspection of the locality in question. After due service of the notices on the aforesaid parties, the Revenue Inspector shall convene on the said day at the appointed time a "Panchayet" consisting of the village officials, two or more respectable inhabitants of the locality, the Inamdar concerned or the occupant of the holding, the applicant and the Government lessee (or his accredited agent) should the latter two care to be present and inspect all the lands setforth in the application and ascertain as accurately as possible the probable quantity of the produce to be derived from the said lands. A Mahazar shall then be drawn up embodying therein result of such inspection and the same will then be signed by all those present. The Revenue Inspector shall thereupon send up a report to the Taluk Amildar together with the Mahazar referred to.

2. The Amildar shall thereafter grant permission to the applicant in writing for the collection of the produce who shall, after the collection is completed, report the matter to the Amildar together with a certificate obtained from the Village Patel regarding the actual quantity of the produce collected and await the Amildar's permission for its transport. Complaints, if any, of the Government lessee or his agent shall then be heard by the Amildar, who shall after satisfying himself that no fraud has been committed, issue a free permit for transport of the produce collected by the applicant.

3. Every such applicant shall be bound to take out permits from the Taluk Amildar concerned in the manner indicated above both for collecting as well as for transporting the produce from the Inam lands or private holdings, and failure to do so will amount to an infringement of these rules and the person so infringing the rules shall be liable to be punished with imprisonment for a term which may extend to one month or fine which may extend to two hundred rupees or both under section 78 of the Regulation.

4. Should there be any collusion on the part of the village Patel, the Government lessee or his agent is at liberty to bring the matter to the notice of the Amildar, who if satisfied that the allegation is well founded, take immediate notice of the conduct of such Patel.
